SAY ALOHA TO TEACHING!

From the President:

KAMERON KELLER, ALIEF TAYLOR HS

ALOHA to all my fellow TAFE members. I hope everyone enjoyed their Area's conference as much as I enjoyed mine. Congrats to those who advanced in their competition, and for those of you that didn't I hope you can take something from the conference and apply it to your everyday life even outside of TAFE. I would also like to wish good luck upon those who are competing at the state level. You all got this!

In my first newsletter as a state officer, I didn't know what this journey would entail. I didn't think about how fast it would all end. This journey as a State Officer has been more than I could ask for, I've made connections, laughed, and enjoyed traveling, but most importantly, I've made memories with a special group of people. Honestly, because of how much time we spent together as an Officer team, there isn't one moment that topped the others. I've enjoyed every day, hour, and minute that I've spent with my team. My reason for pursuing an officer position is the same reason I would like to teach, and that is to show blacks and browns that going into education can be a promising career pathway. TAFE has given me the platform to not only advocate for the future, but also teach myself as a leader and a student of the education world. As I sit back and reflect on this year, there's so much I've learned as president, and about myself. I would like to say thank you TAFE members for giving me the opportunity and trusting me to be your President, it means the world to me. I'm not sure what the future will hold, but I hope to stay involved in TAFE and be a helping hand to those coming in behind me.

As you all know my time as a state officer is coming to an end soon, and normally for a newsletter I would tell you guys a meaningful quote. In this newsletter I would like to do something different. Instead of a quote I want to give you advice that comes directly from me and that is "Although it takes a village to raise one person, it takes one person to convince them to stay in that village." You all as future teachers are those people, keep being you, it all will pay off.

KUDOS

PEYTON CRABILL, LOCKHART HS, TAFE SECRETARY

I can't believe that we have come to the end of our year together. I have loved every moment of being a State Officer and I want to give some kudos to the people that helped me through this year. First, I want to thank my local Lockhart Chapter. I love all y'all so much and I am so proud of the amazing things that we have accomplished this year, and I can't wait to see what else y'all do next year. Next, I want to thank my teacher leader Ms. Crabill, without her I wouldn't be the person or officer that I am today. She has been by my side since I started my TAFE journey in junior high and has been with me through thick and thin. She has shown me my potential and I know that with her support I can do anything. And finally, I want to give a big shout out and I love you to my other State Officers and Ms. Oliver. This year has been a rollercoaster from late nights bouncing off the walls in hotel rooms, laughing until we cried, and even getting stuck in an elevator. I wouldn't trade this year for the world I love all of y'all and I will cherish the memories that we have made for the rest of my life. I wish everyone the best of luck in their competitions and with your goals and dreams for the next year. Remember you'll always have a family with TAFE, this is your 2023 - 2024 State Secretary Peyton Crabill signing out.

We would like to give a tremendous shout out and thank you to the universities and colleges that allowed us to host our Area conferences at their campuses!

TAFE CONNECTIONS

Alief Taylor High School (Appreciation)
How sweet it is to be taught by you!

Alief Taylor TAFE members brought some brightness to a dreary, rainy day by hosting a dessert bar for their staff to show their appreciation for how hard they work.

Lockhart High School (Service) - Cuddles for a Cause

The Lockhart High School TAFE chapter traveled to Build-A-Bear to make stuffed bears to put into cuddle baskets that are donated to children in need. These baskets bring love and show support for children that need it through difficult times.

TAFE HISTORIAN**

Aloha, amazing TAFE members!

It's with mixed emotions that I'm writing to you today, as this will be my last newsletter to you. But don't worry, there are still many wonderful accomplishments to come from our current officers, competitors, and teacher leaders, who will continue to touch the lives of students and teachers in meaningful ways. I have to say, being a part of TAFE has been one of the most amazing experiences of my high school career. I'm beyond grateful for the growth and knowledge that I've gained from this incredible organization.

As I move on to my senior year with many changes ahead, I will always hold TAFE close to my heart and cherish the memories that we've made together. I would've never thought that I would be in the position I am in, the opportunities I've gotten, the different friendships I've made, and certainly the many food trips with Ms. Oliver and the TAFE officers. All in all, I'm incredibly blessed to have experienced these moments.

Thank you all for being a part of this incredible journey! And do not forget that you are way more capable of doing things you wouldn't imagine yourself doing. See you at the Teach Tomorrow Summit!

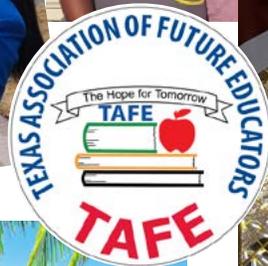

College Connections:

**ANASTASIA CAMDEN, KILLEEN CAREER CENTER
TAFE VICE-PRESIDENT**

As a closing to our final newsletter this college section will be a reminder to all seniors about finishing filling out your FAFSA! Your FAFSA application is due by March 1st, 2024 at 11:59pm. Though this date seems so far away it will come fast so don't wait until last minute to get it done!

TAFE, it has been such an honor to be a part of your family but sadly this is my final goodbye. I am so grateful for the things TAFE has taught me to help me grow as an individual and will never forget the people I've had an honor to meet along the way. Though this is such a bittersweet goodbye I will never forget the smiles, the laughs, and the various broken heels. But as Dr. Seuss once said "Don't cry because it's over. Smile because it happened." I will forever smile knowing that TAFE has opened my heart to a new career field and opened my eyes to a new chapter of my life. For all the graduating seniors take this moment to look back on all the hard work and dedication you've put into TAFE these past few years, and don't worry because once a TAFE member you'll forever be a part of the TAFE family. We are so proud of each and every one of you and I wish you the best of luck in your next chapter.

Forever a TAFE member, Anastasia Camden
